Due to the COVID 19 crisis, WIDEN is transforming its in-person attorney training day to an all-online CLE program. While we considered waiting for a possible summer training date, the fact is that ICE continues to carry out raids, and the DACA ruling by the Supreme Court remains imminent. With this urgency in mind, WIDEN, in collaboration with minority bar associations of Washington, is sponsoring an online CLE for non-immigration attorneys to provide in-depth training in immigration removal defense law.

Leading immigration lawyers in Washington State will present at this event, which sold out in 2019. This CLE will provide the necessary training to support immigrant clients as part of a team led by a low-bono immigration attorney lead. Please sign up and share with your attorney network. Special guests invited and pending: Washington State Governor Jay Inslee, Seattle Mayor Jenny Durkan and King County Executive Dow Constantine. CLE credits are pending.
